

Be punctual ... 日本では仕事は時間厳守  
 Dress Code

~~Dress Code~~ even if it is a international company, it needs some sort of unity. It is work and business after all. We communicate with customers all the time, ~~and it is market~~. and ~~I understand it~~ ~~it~~ should be we want nice, good reliable impression. So when one has a custom to wear suit ~~with~~ their own culture, we ask them to wear suit, if not, their culture's formal wear.

Prohibit talking contravercial topic

- When you have lived in different countries, and cultures, ~~we~~ we definitely have different points of views. We share different backgrounds, norms, traditions and customs. ~~In~~ In this situation talking about contravercial topic could trigger a fight or misunderstandings. If you want to exchange opinion, ~~the~~ workers have to do it when they are off work.

On top of that,

Door to door solicitation is of course prohibited

to make the work place comfortable and  
 To promote synergy among workers. we have planned
