

Presenting your Debate in Class

Step 1: Introduce your debate topic.

Step 2: Teach your vocabulary to your audience; have them write your words and pronounce them.

Step 3: Debate your topic with your partner.

- Remember to check understanding 4-5 times.
 - *Are you following me?*
 - *Are there any questions so far?*

Step 4: Conclude your debate topic.

Step 5: Ask your group your discussion questions.

- Remember to use conversational style; have group members ask questions and make comments on each other's opinions.
 - *What do you think of ... 's opinion?*
 - *Do you have any comments on his/her opinion?*

Step 6: Audience decides the winner of the debate; they can ask additional questions to make their decision.
