- 2) Interview someone about doing an internship. How and why did the individual arrange to do an internship? What did s/he do during the internship? Is or was it a valuable experience?
- 3) Interview someone about doing volunteer work. How and why did the individual arrange to volunteer? What did s/he do as a volunteer? Is or was it a valuable experience?
- 4) Interview a 4th year student about the job-hunting process. What tips and suggestions can s/he offer for a successful job hunt? Find out what you can do now to prepare for job-hunting.
- 5) Interview someone who has lived abroad for a year or more. Find out about his/her experiences living in a different culture. What recommendations does s/he have for someone who is planning to study or work abroad?
